Workshop Refund Policy

Cancellation by student

Requests received four or more weeks before the start of class will receive a full refund less a \$50 cancellation fee.

Requests received less than four weeks before the start of class will receive a credit of all monies paid (less the cancellation fee). This credit may be applied to any course within 15 months of the cancelled class based on space availability.

No refunds or credits are given for cancellations by student after the start of class.

Cancellation by the School

In case of emergency or low enrollment the school reserves the right to cancel a course at any time and refund all monies paid in full. We strongly recommend that you purchase refundable airline tickets or trip cancellation insurance as the school cannot be responsible for cancelled transportation or lodging.

42 North Water Street Port Hadlock, WA 98339
